Warm Ups
Welcome to Monday, March 30th!

#1

1) How do glaciers affect Minnesotan Landscapes?
Bonjour! It's Tuesday, March 31st!

1) Name four different Minnesotan landscape features that are created by glaciers (these are in your notes).
2) Please draw a picture of each with its name as a label.
Genius Hour: Welcome!

1) What is genius hour?
2) Why am I here?
3) IS THIS A GRADED PROJECT? -- (absolutely not)
1) What type of glacier affected Minnesota during the last ice age? How do you know?
Describe how weathering and erosion can be considered opposite forces.
INB Week 2 (for the new quarter)
